FROM VISION TO ACTION

Our Vision

Every child in
Tasmania, is cared for
and nurtured through
the early years, no
matter what.

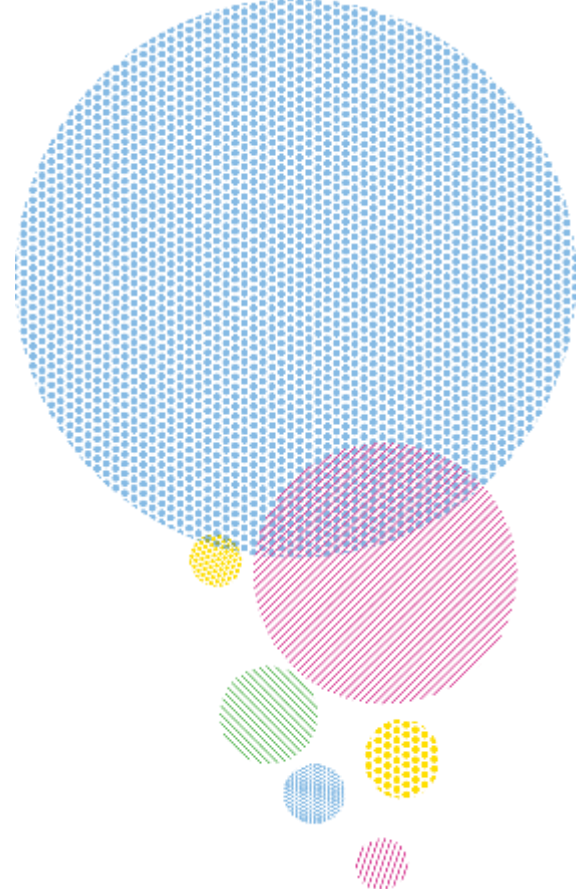

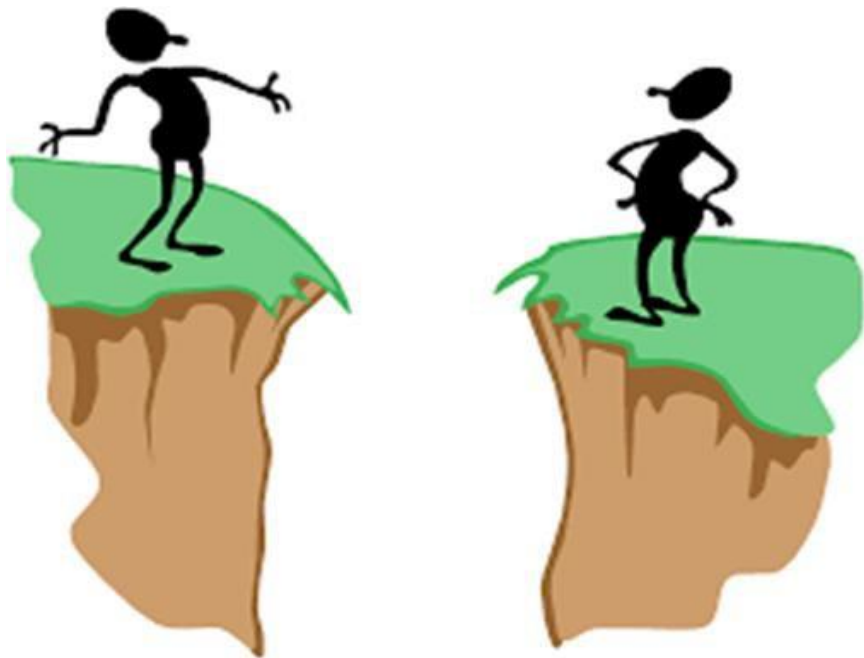

Why B4

“A conversation with B4 Leaders and friends on why we need the B4 Early Years Coalition and a collective impact approach to ensure all Tasmania’s children get a great start”

In 2017
Tasmania had
29,837
children 0 -
4 years

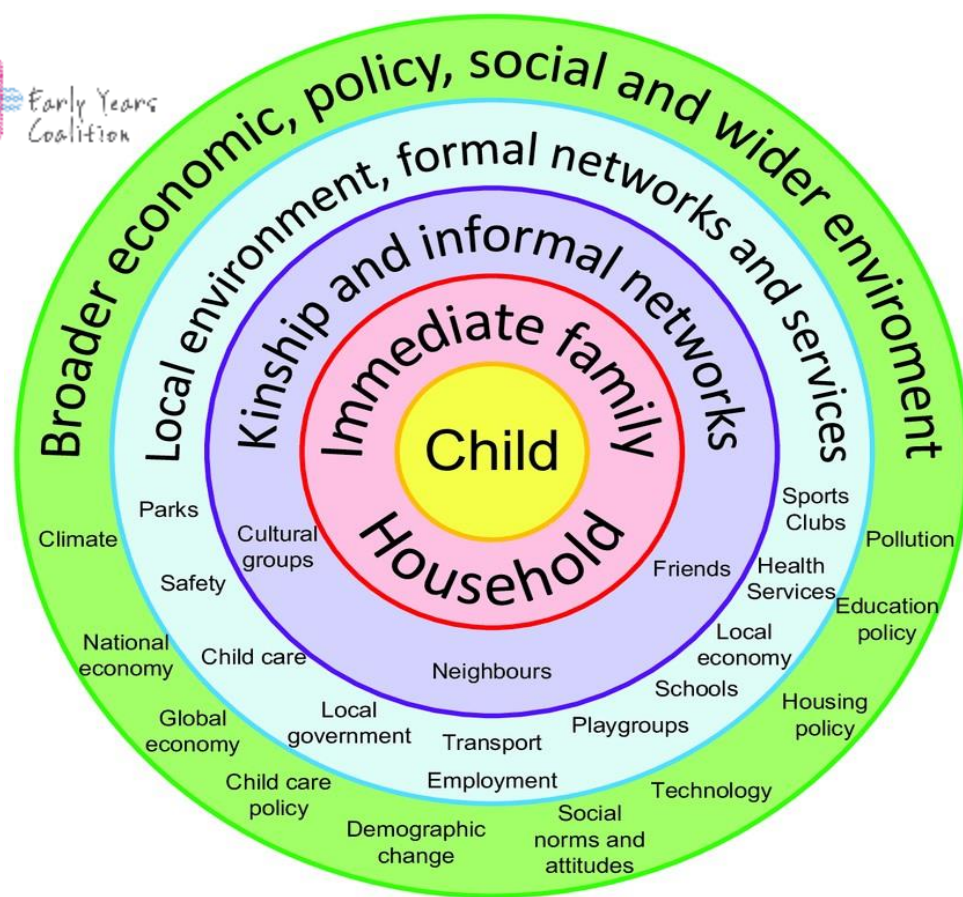

‘it’s natural, it just happens you don’t need to do much’

“development is important only when
they start to speak”

“it’s modern life that’s the problem!”

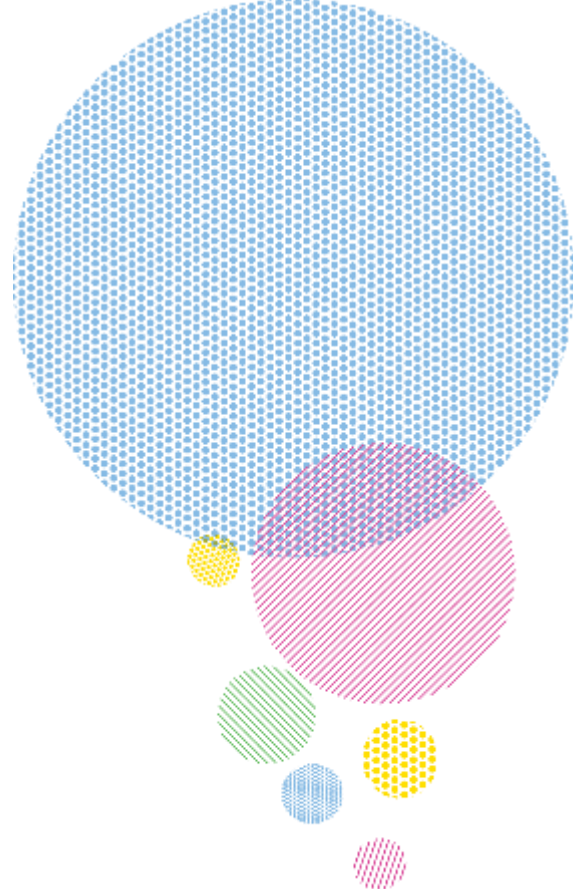

“children are parent’s responsibilities,
not mine”

Childcare is about keeping children
safe

Community Story tellers

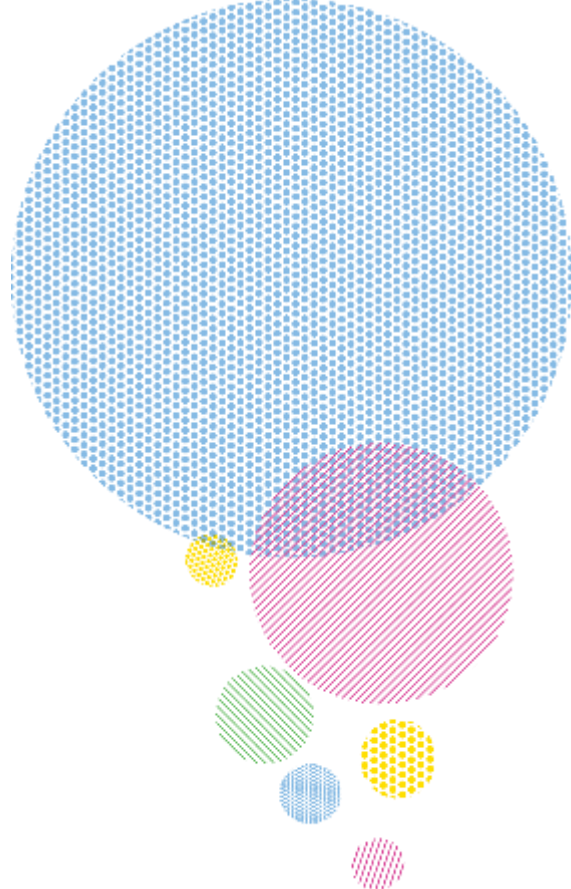

Outcomes:

- More likely to have early years conversations with community members
- Increased knowledge about the early years
- More confident as a story teller to influence others.

What now?

- we continue the revolution
