Lone Pine Koala Sanctuary: Have YOU cuddled a Koala?

QUT (2012)

Innovative concept designs come to life!

Childcare and Early Learning at Lone Pine Koala Sanctuary

What will this look like?

Lone Pine Koala Sanctuary
is excited to introduce

Education for Sustainability

- Sustainable design
- Management that is passionate and driven
- Leadership
- Childhood within a wildlife sanctuary
- Unique environmental programs that offer life-world experiences
- An engaged community
- A place of educational opportunity, facilitating academic research and EC professional development

Education and Care for Health

- Health promoting architecture and landscape
- Health promoting education
- Health promoting PLAY!
- Health promoting lifestyle... after all childcare is a second home

Lone Pine Koala Sanctuary is a place for community...

- All outdoors
- Nurturing inter-generational engagement
- Community Farmers markets coming February 2015

Why collaborate?
