The LDCPDP
An opportunity to innovate and collaborate towards excellence in early childhood

Trish Heeley
Janet Keegan
Background & Context

- Penrith City Council Children’s Services
- Curriculum renewal in Western Sydney (2008)
Principles of Professional Learning

- One-off training sessions were not effective in leading to change
- Practitioners will be motivated by having input into the selection and delivery of professional learning programs
LDCPDP Funding

- Enabled us to reconceptualise of curriculum renewal project
- Maintained focus on the two guiding principles:
  1. one off training is not effective and
  2. educators need ownership of their own professional learning
